

**Conversation about Glasgow City Food Plan
2-3.30pm Wednesday 18th November 2020
Via Zoom**

5th November 2020

Dear Glasgow-resident,

We are currently consulting on the food system in Glasgow, and we would love to hear your views and ideas about the proposed Glasgow City Food Plan (GCFP)! The GCFP is a route map for the whole city and has been produced by people from the NHS, the City Council and the Community Food sector working together.

The vision of the GCFP is that everyone in the city can eat healthy, affordable, culturally appropriate good food no matter where they live, their income or personal circumstances. By good food we mean food that is accessible, affordable, tasty and healthy, that is good for the environment and good for those that work in the food industry.

Many people from different organisations, communities and backgrounds contributed to the development of the GCFP, but it is important that the final plan reflects the needs, experience and knowledge of people from across Glasgow. That is why it is important that as many people as possible have their say in the public consultation. We are inviting people from around Glasgow to join in a conversation about different themes of the Glasgow City Food Plan:

- 1) Fair food for all (food poverty)**
- 2) Community food**
- 3) Food procurement and catering**
- 4) Food economy**
- 5) Environment and food waste**
- 6) Children and young people**

You have received this invitation, because we would love to hear from people who have not yet engaged with the consultation. If you have already attended working groups or other events linked to GCFP, we would ask you invite a friend or colleague to attend!

Please tell us which one of the 6 community conversations you would like to join from the list above. If you could please email your first and second choices to Carol Frame carol.frame@glasgow.ac.uk

We hope that you/friend/colleague are able to participate. **You can register for the event [here](#) at your earliest convenience. Once you have registered, you will receive an automated reply with joining instructions which includes your unique link to join which should not be shared with anyone else.**

You can read the consultation paper and/or respond to the consultation [here](#). More information about the GCFP can be found [here](#).

Kind Regards,

Abi, Elizabeth, Jill, Louise, Riikka, Siobhan

Glasgow City Food Plan Team
